JEY is here and is aware of your readiness to communicate. Be at peace and know that JEY comes in the will of the Creator and will attempt to provide more information that will be necessary for those who are OMEGA as they meet in the time to come. Be at peace and allow JEY to begin.

JEY is aware at this time that many who are OMEGA are feeling much elation about the possibility of once again meeting with others of like mind; and so JEY seeks to give information that will provide an impetus for them and for those who cannot attend to again gather the strength spiritually and the knowledge that is necessary for them to fully prepare for the time to come when the purpose of their life on Earth at this time will be fulfilled.

JEY would acknowledge that there are many doubts among many who are OMEGA with regard to the future of OMEGA; but know that inasmuch as OMEGA is indeed a gathering of Spirits-in-Body for the fulfillment of the will of God on Earth, it will continue to exist and there will be a continued strengthening of those who have accepted the mantle of OMEGA.

What is apparent to JEY and others who are in Spirit and who are in the care of OMEGA is this. Many have taken diverse turns with regard to the use of their knowledge and abilities; and thus there needs to be a re-adjustment with regard to direction. Thus, the purpose for calling a gathering of those who can attend a gathering for all. This one who comes as gatekeeper for OMEGA would further say this: . . .that when there is an opportunity for two or more who are OMEGA to gather and communicate with regard to their experience and to seek the continue guidance and will of the Creator, there will be continued strengthening. And when there are many, who gather for the express purpose of sharing their experiences and seeking additional spiritual guidance there will be that energy produced that will allow all who are OMEGA to share in the outcome of the gathering.

In other words, the energy that is generated by all who attend will indeed become a gift to others who are OMEGA. It is with Love that JEY anticipates the gathering of OMEGANS in the days to come and it is with love that JEY would help in the preparation of the gathering. Thus, it is that JEY would seek to allow the one who comes as **Messenger of the Creator** to communicate with you at this time. Be at peace.

Be at peace and allow this one to come and give additional information. This one comes as Messenger **of the Creator** for the purpose of continuing development of Plans for the meeting of the **total** OMEGA. What is necessary at this time is simply to lay out a guideline for the gathering. We who are in Spirit are deeply aware of the desire of those who have planned the gathering to be able to develop a schedule that will allow for the fullest participation of all who gather for the meeting.

Thus it is important for spirit to have input for those who are Spirit-in-Body.

First, this one who comes as Messenger would say this. . .That which is to be the gathering place will be a place of much beauty; but it is to be understood that it will be difficult for all to fully provide complete attention to the procedures that will take place. In other words, this one would. ask that you attempt to provide a method of seating that will give all an opportunity to be within a circle in order that they will provide interaction for all. Thus it is that the seating is more important than the location for the meeting. It is important that all feel comfortable and that all feel equally important in the meeting; thus it is that those of you who will help with planning must exhibit a demeanor of Love and Caring, for it is through that attitude you will provide what is necessary at this time.
