

## **February 26, 1997**

JEY is here. JEY is well aware at this time of those things which you have been speaking about in this group, and would say to you at this time that it is with love that JEY comes to be in your midst; and it is the will of the Creator that this one be here. Be aware, too, that there are many who are in Spirit who have been drawn to this meeting at this time, and JEY would say that each of you will indeed leave this place with a blessing.

Know that we come in Spirit to work with you, to help you, to encourage you. And it is through that which has been the discussions that you have had that you are able not only to come to know each other better, but also to be able to share your Love more fully with all who come to be in meeting. JEY would ask you simply to remember that you are one of many upon this Earth who are seeking after Truth at this time; and know as that occurs, there is an energy generated that will be felt throughout the Earth. At such time as you are aware that you have fulfilled your purpose upon the Earth, you will rejoice with that which occurred for it will be made known to you fully through that which has taken place upon the Earth that you in your journey have made a difference.

It is important for each of you who are here at this time to allow your heart and your mind now to be open to Truth and also for each of you to remain in a time of meditation. And JEY would suggest that as you have the opportunity to be together in this group which is called OMEGA, know that it is not the name OMEGA that you are to be concerned about, but it is YOU who are here...each of you...the Spirit Within you...which is of great value, great concern to each of you. And so even as you are one and are gathered here as many, know that those of us who are in Spirit come as one and yet become as many because you are known to each Spirit who is here at this time.

What JEY wishes to attempt to allow to be at this time is for more than one to come to address you. JEY would simply ask that you be at peace with that. Know that each one will come with a specific message for you if you will allow it to be so. JEY would also tell you that this is a departure from the normal way that JEY would allow others to come to be in your midst. But there is an importance to allowing more than one to come to be with you, to walk with you at this time. Still you must understand that JEY continues to act as Gatekeeper for OMEGA and would tell you that each one who comes must affirm that they are in the will of the Creator, in order that you may have no fear in receiving this information.

Know that as you here are open and trusting to receive Truth, those who come to you must indeed give that which is Truth. Be at peace with that. And now as you remain in a time of meditation, JEY will simply say that there is now one who is ready to communicate with you. Be at peace.

**AMEN! KNOW THAT THOSE OF US WHO ARE HERE AT THIS TIME IN SPIRIT ARE THOSE WHO HAVE COME IN THE PAST TO THIS WHICH IS OMEGA, TO ADDRESS THEM FOR SPECIFIC REASONS. AND SO MANY WHO ARE HERE AT THIS TIME IN SPIRIT ARE THOSE WHO**

COME, ONE AT A TIME, TO COMMUNICATE WITH THOSE WHO HAVE GATHERED THROUGH THE YEARS AS OMEGA.

And so this one would simply say to you that this one comes to you as one who is known as ALLA. ALLA began work with OMEGA upon the Earth many, many eons ago. Know that even as ALLA lived during the time when each of you lived upon the Earth at one time, it was known then, although perhaps forgotten as you were in body at that time. ALLA has served as Teacher for this which has been OMEGA...the gathering that has been known as OMEGA. ALLA has come to give Truth many times. ALLA has been able to work with the one who allows the voice to be used throughout this which has been a time of seeking for that one. And even now, as that one seeks after things of Truth and seeks to be a voice which will allow others to come and communicate through her, you must know that it has been the responsibility of this one who is ALLA to stay within her life in order that she be guided more fully to accept all who come to OMEGA, to accept all who have information to give in order that she may be able to be a conduit for that which you now come to know as Truth.

It has not been always that this one which serves as the voice has been willing to accept all that was given; and so ALLA was one who encouraged that one to seek to be able to discern the Truth of things that were said. And even now ALLA would encourage each of you not to be so openly accepting of **all that you hear and all that you read. Rather, ask the Spirit Within you to help you discern the Truth of what you hear and what you read. That which is your Spirit cannot give you mis-information. The Spirit is of the Creator.**

And so ALLA comes to tell you that even as ALLA has been a teacher for many who have been in a time of becoming conjoined with the OMEGA group, you must know that the one continues to help you as you move forward in your acceptance of Truth and Information and Knowledge. ALLA would simply say that if there is a time when you are uncertain about those things that are given to you as Truth, simply allow your heart and your mind to be open to Truth and do not be fearful of calling upon those of us who come as teachers in your midst. Know that it is our will and our Love to allow you to call upon us to come and give you information.

ALLA comes now to impart to you the feeling of Love that ALLA can bring to you. And know that as you receive this, you also can receive the energy that goes with the Love that can be given. Go now in Love.

KNOW THAT THIS ONE COMES AND WILL SIMPLY IDENTIFY TO YOU AS ONE WHO HAS BEEN KNOWN TO MANY WHO ARE OMEGA AND HAS BEEN CALLED THE NAME THAT WAS GIVEN...THE NAME OF **HORIZON**. THIS ONE WHO COMES AS horizon CAME FOR THE ENTIRE RESPONSIBILITY OF ALLOWING THOSE WHO WERE OMEGA IN THE EARLY DAYS UPON THE EARTH PLANE TO KNOW THAT THEY WILL ACHIEVE THE ABILITY TO LOOK BEYOND THE BOUNDARIES OF

THIS EARTH...TO LOOK BEYOND THAT WHICH IS THE HORIZON. IT IS ONLY THROUGH THAT KNOWLEDGE THAT YOU WILL BE ABLE TO FULLY UNDERSTAND THE JOY OF THE TRUTH THAT YOU CAN KNOW. KNOWING THOSE THINGS THAT ARE OF A SPIRITUAL TRUTH CAN SET YOU FREE FROM SO MANY THINGS THAT HAVE BECOME A BURDEN TO YOU UPON THE EARTH PLANE.

HORIZON came and talked many times with those who were in the early group of OMEGA, and attempted to help to help them to look beyond that which was the boundary of the Earth as you know it. HORIZON would say to you at this time that many things that affect your life upon the Earth at this time...many of the things that are coming to you from your Spirit, those things of which you are now aware and are accepting...are there for you to receive and internalize mentally. As your Spirit is able now to more clearly define the direction that your life will take, you must understand that it is because you are more willing to open your heart and your mind to receive that which can come from your Spirit.

Ask that your mental ability be willing to work more fully with your Spirit. Ask that you be willing and able to look beyond the boundaries of this Earth as you know it. It is through that that you will be awakened more fully to the joy of knowing the Spiritual aspect of your life upon this Earth.

Know that this one who has come as HORIZON does come now to leave you with an understanding of Spirit, an understanding of joy of the Spirit, and an understanding of that which is available to you as you allow your heart to open and be willing to accept all that you can see beyond that which is known as the horizon. Look forward to that! Know that you have the ability to be one of great strength upon the Earth. Nothing can deter you from that. You have the ability to help many. Be at Peace with that.

THIS ONE COMES NOW TO ADDRESS YOU AS ONE WHO HAS COME AS A MESSENGER IN THE PAST. THERE HAVE BEEN MANY WHO HAVE COME TO THE MEETING OF THE OMEGA AND HAVE IDENTIFIED TO YOU AS MESSENGERS OF THE CREATOR. WE ARE MANY, BECAUSE WE COME TO SERVE IN THE ROLE OF THOSE WHO WILL BRING TRUTH TO YOU. WE WOULD ASK YOU TO OPEN YOUR HEART AND YOUR MIND DAILY TO RECEIVE THE TRUTH THAT CAN COME TO YOU THROUGH THOUGHT.

We would ask that you accept that we come in love, that we come in the will of the Creator. And each time that we come, we bring a Spirit that will enable you to have a deeper understanding of your journey upon the Earth.

And so as this one comes to simply identify as MESSENGER OF THE CREATOR, this one comes to also allow you to know that this is one of many who have come to be with you as you have gathered here as OMEGA.

We look forward to that time where you will be able to exercise all of the ability that you have in fulfilling your purpose upon the Earth, for we will be able to help you at that time. We have an anticipation of much joy for that time,

although it may be a time of much fear upon the Earth. Still, we look forward to this with those of you who are OMEGA with a feeling of joy...for you will rejoice in that you will be able to accomplish your mission, your purpose. Know that you will leave this place more fully aware of the strength that we can give you through Spirit at this time. Go in love.

FORGET NOT THAT YOUR SPIRIT WITHIN YOU IS OF THE CREATOR. REMEMBER THAT YOU WERE CREATED AT THE BEGINNING OF ALL CREATION. THEREFORE, THAT WHICH RESIDES WITHIN THIS BODY IS OF GREAT IMPORTANCE. IT IS NECESSARY FOR YOU TO UNDERSTAND THAT THE SPIRIT THAT IS WITHIN YOU DOES RETURN TO THE CREATOR. THERE IS NO SEPARATION AT ANY TIME FROM THE CREATOR, FOR EVEN AS YOU LIVE NOW AS A PHYSICAL BODY, THE SPIRIT WITHIN YOU DOES MAINTAIN A TIE TO THE CREATOR.

You must understand that as you chose to be here upon the Earth at this time...and in many lifetimes past...it was the understanding that your Spirit had chosen to be here for the experiences it would receive while living in a body of its choice upon the Earth. And so each of you, regardless of how you may feel about your life in this lifetime, chose to be in the body which you have inhabited. You were aware of the trials, the tribulations, those things you have undergone. But know that this was your choice. And so as you have chosen as Spirit to live in body, not only as who you are but also in those groups in which you came to live, you must know that it was for a purpose. And even those who have lives upon the Earth that no longer...as they return to Spirit...are happy or proud to remember, they too are of the Creator and they too must return to the Creator as well.

It is known that all who are Spirit-in-Body must be treated in an aspect of the Creator. That Spirit does indeed belong to the Creator of All Things, but which you choose to call God, that which you choose to give other names of great glory. But we who come at this time would encourage you to allow your Spirit Within you to give to you much of the strength that it can bring to you in not only fulfilling your final purpose upon the Earth, but also in fulfilling the day-to-day things that you must do upon the Earth.

This one comes to you with this message because there is an importance in your knowing that one who comes to you has the ability and the knowledge to tell you these things. This one would at this time ask that you not be in a time of being overwhelmed with the visit of Spirits to you and the communication they bring to you at this time but simply accept that because we have come in times past, we choose now to come to address each of you because it is the will of the Creator.

**There will come a time in the near future where you will no longer be able to receive such messages, for soon you will know that we have come and fulfilled our responsibility. This one will say to you, "Do not grieve over that. Simply know that you must at this time begin now to allow your Spirit Within**

**you to encourage you, to help you to know that you can call upon it for all the knowledge that you need. You have now progressed to that point where you will be able to do so.”**

And so this Spirit would simply advise you that as this one has come to you, it has been in the will of the Creator and has been one who has been in the midst before; and that one who has communicated with you...not often...but has come as the one who is the **CHRIST SPIRIT**. Know that this need not concern you except for the fact that you have known that it has been said to you in times past that where you gather there this one can be also. And so this one has come to advise you...yes, this one can meet with you, can communicate with you, and does come now to tell you that you are strengthened to that extent where will be few times in the future when you will receive such information. Do not be sad about this! Know there is so much for you to gather from those things that have been presented to you in written form. And this one would say to you always we can come to you and help you through that which is your own Spirit. Allow it to be open to receive the information that can be given.

And now there is one more who would need to come and communicate with you, because that Spirit brings love and compassion and will help you to deal with the message that this one has brought. Be at peace. Know that you are loved and that we come with great joy to share with you.

THIS ONE COMES WITH MUCH LOVE FOR YOU AND MUCH JOY IN THE OPPORTUNITY TO COME ONCE AGAIN TO BE IN YOUR MIDST. AND THIS ONE IS AWARE THAT PERHAPS YOU MAY BE SADDENED BY THE THOUGHT THAT THERE WILL NOT ALWAYS BE THOSE WHO WILL COMMUNICATE THROUGH THE VOICE OF THIS ONE. BUT KNOW THAT EVEN AS YOU ARE GATHERED HERE, THIS ONE WILL TELL YOU THAT BECAUSE YOU ARE LEFT ALONE, YOU ARE NOT ALONE. THAT WHICH IS OF THE CREATOR REMAINS WITH YOU.

And even as this one can tell you from the experience that was known to you in a time past, this one felt so alone at one time and so deserted at one time, and yet was able to regain that which was the strength that could be given. This one has talked with you before about love, about the love that this one knew for the one who was on Earth as Jesus. This one has talked with you and has come to you as the one who is the Spirit of the one who was the Mother of Jesus.

You must understand that those who have come to you in Spirit for these many years have come because of the love of the Creator for you. They have come because of the love that each of them had for you, that they would come and communicate through this one for you. Know that this one was upon the Earth when each of you lived upon the Earth as well. You were aware of the Spirit, of this which was a Spirit-in-Body. You were aware of the one who was known as Jesus upon the Earth. And you were aware of your own responsibility as Spirit-in-Body in this time upon the Earth.

And so as we come at this time to share with you once again our love, our feeling of joy at knowing that you are fulfilling your purpose upon the Earth, know that this one would say to you that you are blessed and you, too, are loved; but above all, you must understand that you are loved by the Eternal Spirit that did indeed provide for you the opportunity as Spirit to live upon the Earth at this time. It is important that you accept this, that you know the joy of having been Spirit-in-Body as well as Spirit in the Spirit Realm. And know that this one who comes to communicate with you with you at this time would ask you to reach out and touch one who is near you in order that you may feel the love and energy that does surround you at this moment. Simply reach out and touch one who is near you at this time.

May that which is the Peace and the Love and the Joy that is felt by all who are here at this time be with you now and in the days to come, the time to come. We would not place you in a position of leaving this gathering without knowing the Joy that you can know at this time.

If you could recall from your Spirit at this moment, you would be able to visualize those who you were at the time when you were known to each other as Spirit-in-Body in another time. We come now to rejoice with you, to give you that which is the Love, the Strength that we can impart to you at this time. And so this one would ask you to accept that not only are you loved, but you are much respected by those of us in the Spirit Realm. **Do not deny your role upon the Earth at this time. Do not deny that you are of the Creator. Do not deny that you have the love that can be shared with others because the Creator of Us All does give you that Unconditional Love. Accept it, and know that this one has come with much love for you, much appreciation for you, and the knowledge that you are indeed able to fulfill your purpose upon the Earth. Go now in the Peace that only love can bring.**

JEY returns, and JEY, too, at this time feels that which is an overwhelming joy and love from those who have been here in your midst and are pouring forth that which can be given to you. JEY would not ask you to grieve at the thought that many of those who have come to you will not be returning to communicate with you. But JEY would assure that as always JEY will have the opportunity to give those messages that are necessary. When there is a need, JEY will be with you. And so at this time JEY would ask each of you now to begin to more fully rely upon your Spirit, that you would look back to those Truths that have been shared with you and access that which is Truth from each things that you read in order that you may establish your own purpose more fully upon the Earth. You are not to fear. You are those who are of strength, you are those who are of a purpose. And you have within you the greatest guide and strength of all, and that is the Spirit Within you which is of the Creator. Accept that!

And JEY would tell that in the days to come, JEY will have you in thought and in prayer in order that you may be able to more fully internalize all those

things that have been given during this time of meeting. Be at Peace. Know that JEY has come in Love, and will assist you as there is a necessity. Go now in Love. AMEN
