JEY is here and does come at this time with much Love for those of you who are here. Allow JEY to say that it is important that you be gathering, for as you are aware, there is a purpose in all that does occur in one's life. And so JEY has the opportunity at this time to communicate with you; but above all, you have the opportunity to come together, to share Love, and to share the knowledge that you have. It is important in the life of each of you; but above all it is important for the one who is Mimi for indeed she has experienced much in her lifetime that does lead her toward a Spiritual Understanding. And it is through that which is an opportunity with you who do know of many things which have been given through Spirit. . . those things of Truth., those things that you can share with her. JEY comes to give thanks for that and does ask you to continue to be that which is guidance for others who are upon the Earth Plane as Spirit in Body. Know that indeed this becomes part of your purpose upon the Earth... .to help others who are now known as OMEGA. It is important for you to gather to self those who are near and dear to you in order that you may share the Truths that you now know.

Allow JEY to say that JEY is aware of those conversations which you have held and is aware of many of the questions that you have. But JEY is also aware that as you have discussed the life of the one who was Jesus upon Earth, you still have many questions in that regard. You have many questions with regard to that which you call your Scriptures. And JEY would ask you to simply be alert to information that can be given to you at this time, and alert to those things that can be given to you in the days ahead through Spirit, for indeed it is through such that you will receive much understanding, much that will clarify your own thinking in this regard.

At this time JEY would ask you to accept another who will come and communicate with you; and know that one has long been one who has communicate with those who are OMEGA and will indeed come in the will of the Creator and will attempt to give you more information that will help you understand not only those things which come through Scripture. . .but also your relationship of those things which come to you. It is important for you to accept that which is your Scriptures as that which it is. . .and that is simply a compilation of writings that **come down to you through the many centuries upon this Earth that they have been in existence. This does not mean that all things that are written contain all Truths, for indeed that is not so. But what you have in what you call YOUR Scriptures. . .those things which Christians call THEIR Scriptures. . .are indeed an attempt to suggest your relationship to those who have lived in times past and their writings.** It is important for you to look upon them in that way. And so at this time JEY would simply ask you to be at Peace and be in a time of quiet while another will come to communicate with you.

PEACE BE WITH YOU! Know that as this one comes it is because you have sought for more information. And this one does come because it is the will of the Creator and does come through this one who has allowed the information to come through the voice as Instrument. It Is Important for you to accept this one simply as one who has come in the past. . . that one known to you in past times. . .as the one who Is **ALLA**. ALLA did indeed come in times past as that which is a Spiritual Teacher for the one who is known to you as the voice. It is Important for you to understand that even as ALLA came as a teacher for that one, ALLA continued to work as a teacher for OMEGA.

We who are in the Spirit Realm do indeed have a role that we need to fill. ALLA has simply played the role of Spiritual Teacher, and as you are aware those who are OMEGA have learned much from those bits of Information that have been given as you have sought for Truth through that which has been given to you by those who have come as Spirit. It Is important now that you simply open your hearts and your minds and allow these things which ALLA can tell you as Truth to be given to you at this time. Accept them with the knowledge that ALLA has come in the will of the Creator.

As you are aware, each of you who are here have grown on this Earth as Spirit in Body; and as those who have been brought up in what you would call the Christian Faith. That which is the Christian Faith has been an offspring of the teachings of those who indeed were known. . .or did indeed know. . .the one who served upon the Earth as the one you call JESUS. It is important that you understand the role of the one who was JESUS upon Earth, for indeed that one came as a Spirit in Body and did indeed serve as a Spirit in Body and as one who was named Jesus. Know that those who come to Earth as Spirit in Body ALL have a role to play upon the Earth. So it was that Jesus had a role to play, but his role would be one that would be important for mankind inasmuch as his body must be prepared for the role which the CHRIST SPIRIT would fulfill. In order for Spirit to work fully upon the Earth there must be a vehicle for that Spirit to inhabit; and so then as the CHRIST SPIRIT WAS ALLOWED TO FILL THE ROLE OF THE CHRIST SPIRIT AS SPIRIT IN BODY IT WAS NECESSARY THEN FOR THE SPIRIT OF

JESUS TO ALLOW THIS TO BE SO. Those who are in Spirit do not enter another body unless it is known they are in the will of the Creator. If such is attempted and if such does occur, it is simply called an intrusion upon the life of that Spirit in Body. And so as you have talked about those things of attachments, those things where Spirits are unwilling to go on to the Spirit Realm, you are talking about intrusions upon the life of those who are Spirit in Body. That is not the will of the Creator that such would be.

And so you must understand that as the CHRIST SPIRIT entered into the body of the one known as JESUS it was with the full knowledge of that one that it would occur. As the Christ Spirit lived and worked through the body of Jesus much did occur. . .much that you have read about. However, there is much that you do not know; and that which you do not know would outweigh many times those things that you do know. What has been taken from those things which you call your Scriptures has been much that would affect the lives of those who call themselves Christians. You must understand that as you learn only PART of the Truth, your life can be affected by those parts of Truth that are NOT learned. And so it is that it is necessary that those who are Spirit can come and work with those of you who are Spirit in Body who are on a quest for a deeper understanding, a quest of that which is Truth. And so as you seek for the will of God to be done in your life. . .the will of the Creator to be done. . .and as you seek for only that which is Truth, you can be assured that those things of Truth then would be given to you as you ask for Truth, as you ask for only those things that would help you to fulfill your role upon the Earth as Spirit in Body.

And so it has been as those of you who have become known as OMEGA.. .as you have opened your hearts and minds to Truth. . .you have received that. We have asked you many times not to proceed out from that which would be your own home to simply allow that has been said to you to be known, for indeed there are those who would not understand, those who are not yet ready to accept the Truth as it has been made known to you. And so as others are led to come to you, to discuss things of Truth, then that is your opportunity to allow your own knowledges to be given to them.

And so as the one who was Jesus was able to give Truth, what is known of that Truth can be shared. But what has been kept from you are those things that would indeed affect your own deeper knowledge, your own deeper understanding of that which is the knowledge that CHRIST would have had you understand. And so as you talk about that which would be past lives, those things which would be lives to come, know that this is only simple Truth that you need to know! Do not be fearful of this. You are not to be afraid, for indeed you have lived through many lives. . .and there are yet many to come! But what you must be fearful of are those who would lead you astray from those things that you know now to be Truth. Do not allow others to interfere with your journey, your understanding of Truth. ALLA would say to you that in these times upon the Earth where there are many, many who are seeking now the Earth. . .those who are Spirit in Body are fair game. Indeed many, many are seeking to influence others. And so it is that you must learn to understand the difference between that which is Truth and that which is untruth. Be willing to ask for help each day in the understanding of Truth in your life. Allow not the other things to Interfere with you in your Search. You need not be concerned. Simply allow your own Truth, as you know It, to be shared with others. . .which in turn will lead to their understanding as you have the opportunity to so do.

ALLA has the opportunity at this time to be a conduit for Truth that you can understand. . .and that is this bit of Truth! That the one who was on the earth as Jesus as Spirit In Body was indeed that which was a young man who did seek after the will of the Creator in his life. He lived in a different time, in different atmosphere than that in which you live. Yet the life that he lived as a part of a Jewish family upon the Earth did prepare him for the embodiment of the Christ Spirit. And know that simply because Jesus lived as one who was of the Jewish Faith, what he learned affected his life upon the Earth. . .even as what you have learned has affected your life. He was no different than others who are Spirit in Body who are experiencing and have experienced that which has been fed to them, given to them through the teachings of those who have gone before. You in turn have been fed by those things that others who have gone before you have fed to you as simply Truth. You must know that many of the things that you have been taught are not always a fulfillment of the word Truth. And so it is now that you are aware that you can open your heart and your mind to Spiritual things. . .a Spiritual understanding. You are aware that you have broadened your horizon, that you have an opportunity to learn more, to open your heart and your mind to more...and that you be not fearful. Indeed, what you are doing is following that which is the yearning of your Spirit Within you. And since that Spirit Within you is OF the Creator, you can be aware that as your Spirit leads you, you will know only that which is a better understanding of Spiritual Truth.

ALLA would suggest to you that you begin daily that you will be led into a deeper knowledge, a deeper

understanding of Truth as you must know it upon the Earth. You who are known as OMEGA have prepared. . .and are preparing. . .for a difficult time upon the Earth Plane. There are those who would dissuade you from even suggesting that you have a purpose upon the Earth at this time; but know that as ALLA comes to you now and asks you to be prepared for your purpose upon the Earth, know that ALLA is saying this in Truth. It is important that you be strengthened in your mental ability, in that which is your physical ability, as well as your Spiritual ability. It has been said to you many times before that you must be emotionally prepared for what is ahead. ALLA would say to you that the time is now near. YOU HAVE BEEN TOLD. That which you have learned, that which is your strength, will be called upon to help others. BE READY FOR WHAT IS AHEAD.

And so we who are in Spirit come now to attempt to strengthen you in your Spiritual Understanding, but to encourage you in your physical and emotional understanding. It is with this that ALLA would choose to advise you that as you are in need of assistance you need only to call upon your Spirit Within, for therein lies a pool of Truth that only you can access at this time. . .for you in reality are the Spirit Within you. You can look back upon the very beginning of your life in body upon the Earth at this time and retrace the steps which your physical body has taken, and know without doubt that the Spirit Within you has been guiding you to be prepared for this time which is ahead.

We who are in Spirit see clearly that time upon the Earth, for indeed as we have told you in times past there is no past nor future in the Spirit Realm, but all occurs now. And as this one can see, your life is now revolving in the now. . .the entire now. You are now progressing to fulfill that which will be an event in a now period. You must understand that all you need to be you are now becoming. Know that ALLA would ask you to accept this. And know that ALLA has come with Love and in Peace. Go now in Love.

JEY returns and would ask that you simply be in an attitude of thankfulness for that which has been given to you. JEY comes in the will of the Creator and does come to continue as gatekeeper for OMEGA. And although JEY has advised that there will be no further lessons coming from this one, know that does not mean that JEY cannot come when there is a time of need. JEY does seek to help where there is a need. Be at Peace. Know that as you live upon this Earth in this time there is a purpose for your life. That purpose will be fulfilled. Go now in Peace. AMEN.
