JEY is here and does come with Love and does have an opportunity to further expound on those things which you have been discussing. it is important at a time of meeting that JEY be in your presence, for indeed JEY continues as gatekeeper for OMEGA and does surround you with Love and Energy during your time of meeting.

And so as you would allow, JEY is here at this time and would come to you in the will of the Creator. As JEY is aware, there are still many doubts within the mind of many who are on that which is their Spiritual Journey on the Earth Plane. But what is totally important for each of you who are undertaking this journey and undertaking to fulfill your purpose upon the Earth at this time is this..., that you totally accept that there is a Creator of all things, that which you have been known to call the Eternal Spirit; and so as you accept that, then be aware that all who are Spirit in Body do come from the Eternal Spirit. in other words, the Spirit with which you are now endowed as a physical being does indeed come from the Eternal Spirit, that which is the Creator of all things.

So with those beliefs intact in your mental self, your thinking, know that as you accept that, then there is nothing that is not possible for you to learn to accept and then to allow your Spirit to guide you in this lifetime. Do not provide a daily life for self living in fear and doubt; but know that as you have accepted those things of Truth that have been given to you, you can live each day that which is a joyful life..., looking forward to completing your journey on Earth in a way that will not only allow you to live a life of joy but also to complete your purpose with joy. And so JEY would say to you at this time "Do not doubt those things of Truth that have been given to you. Do not doubt that the Spirit Within you is OF the Creator. And do not doubt that you have the ability, the opportunity, and the responsibility of completing the Spiritual Journey upon the Earth at this time."

JEY is aware, too, that as one does come to the focus of Spiritual Growth for the first time, you will not have that which is a full understanding; but know that those who come to the group at this time have a desire to become Spiritually attuned, that desire can be fulfilled and those who are new to the group at any one time. If they will simply allow their Spirit to guide their thinking, this can be achieved. it is important that you now give time to a deeper understanding of those bits of knowledge that have been shared with you, for it is through that understanding that you then will be enabled to conduct self in a way that is a responsible way of living when those times come upon the Earth Plane where you will need to be able to focus on your responsibility at any given time. There will be those who will come into your presence who will be totally unaware of what is occurring, for they will be fearful or they will be beyond that which is fear to the point where they will be unable to control their thinking and therefore will become a person who is not useful to self or others upon the Earth. in other words, they will become so inhibited by what has occurred that they will be unable to function as a human being.

And so as you now have the opportunity to grow in Spirit and to be one who is prepared to help others in the time ahead, know that it is possible for you to be fully prepared and it is possible for you to be Spiritually strengthened and physically strong. And so it is at this time that JEY would urge each of you not only to think about that which is the Spirit Within you but think about that which is the physical aspect and mental aspect of you, and know that in all way you must be prepared.

JEY would at this time suggest that you accept a Spiritual blessing that can be given to you daily, for as you ask for the guidance that you need each day know that as you receive that guidance it is from Spirit and therefore a Spiritual blessing. Accept it! Know that it is given to you freely and in the Love of those of us who come to your presence each time that you seek for help.

JEY would ask further at this time that as you have the opportunity to communicate with others on the Earth Plane that you in turn share with them those things which you further learn during these times of meeting. There are many who do not have the opportunity now to meet with groups but who are still searching for the strength they need each day. Be aware that you have the opportunity now to further communicate with them; and allow that to be so.

And so as JEY is here at this time, JEY would look upon each of you with Love and with the knowledge that you are equal in Spirit to others who reside in the Spirit Realm. You simply have the opportunity at this time to live in body in order that you may be able to help those on the Earth and to help those who are seeking to give assistance during times of great tribulation on the Earth. And so JEY would at this time surround you with Love and ask that you be aware of the unconditional Love that can be given to you by the one who is the Eternal Spirit, the Creator of All Things. As you seek for that Love, you will

indeed feel it within your very being. Be comfortable with that, for when you seek for and ask for that Love, there is not a selfish reason in doing it! You are doing so because this is an inherent drive from your Spirit Within, so that Spirit would know daily that which is the Eternal Love and the Spiritual aspect of that Love which can be given so that your Spirit is strengthened as you ask to be surrounded by the Love of the Creator.

And so JEY would come at this time mindful that each of you do at this time receive this which is an outpouring of energy by those who are here in your presence. And know that as you further discuss those things of a Spiritual nature, those of us in Spirit will be here to help you and to strengthen you in your thinking. JEY would at this time simply ask that you be at Peace with the life that you have, with the realization that you are doing that which is necessary for you to do at this time. JEY comes in Love and would ask that you go in Love. AMEN
