

07-01-01 JEY and MICHAEL THE ARCHANGEL

JEY is here and JEY does come in the will of the Creator. It is at this time that JEY wishes to allow you to know that we who are in Spirit have indeed been able to be in your midst at this time; and we do rejoice at that which has been the communication which you have had within this group. There is a knowledge within the Spirit Realm that those of you who are known as OMEGA upon the Earth have indeed now at this time been able to receive much Truth, and have been able to exercise that which is the new knowledge that you have in dealing with others which come into your presence.

We who are in Spirit would ask you to remain in that which is a meditation in order that you may be able to receive the information that is to be given during this time of meeting. Allow JEY to say this: You have been very willing to allow that which is the information that the one who is SECHA has brought to you in the past to be again given to you. But know this...that indeed as one who is an entity-in-body...Spirit-in-Body...such as the one who is SECHA (as that one indeed did have that which was Spirit in Body)...know that it was a different type of communication that the one who was instrument was able to allow to be given to those who are OMEGA. But know this...that there is always the opportunity for the one who is JEY to allow that one who is SECHA to again come to give information, if it is the will of our CREATOR that it be so. You need have no fear when that one comes to communicate, for indeed that one who comes is well aware of the CREATOR and well aware of the ability to pray and to receive that which is Truth through that which is prayer. Those who have come to you and who have communicated to you as ones from a different Universe do come in the will of the CREATOR.

You are well aware of what is occurring upon the Earth at this time, and you are aware that help is needed if the Earth is to remain a vital living organism such as it is. But know that there is not much being done at this time upon the Earth to prepare the Earth to survive in the time to come. It is necessary that all of the inhabitants of the Earth become conscious of the need to protect everything that exists upon the Earth in order for mankind to be able to live. Know that without that which is the plant life and that which is the animal life, mankind cannot survive upon the Earth! And so it behooves each of you, and of all mankind, to protect everything upon the Earth Plane. As it was given by the Creator, so it must then be protected by those of you who were given dominion over that which is the Earth Plane.

And so JEY comes at this time to allow you to know that it will be possible for others to come to communicate with you in this time of meeting. And so JEY would simply ask you to be at peace; and know that as another comes to communicate with you, it will indeed be the will of the CREATOR that it be so.

BE AT PEACE AND KNOW THAT THIS ONE COMES IN THE WILL OF THE CREATOR. You have been in a time of reading that information that was given to you in times past by the one who came to you and did give the symbolic name of MICHAEL THE ARCHANGEL. It is important for you to understand again that in the Spirit Realm there is no need for names as such that you use upon the Earth Plane. But when we come to you to give information, it is wise that we give you a symbolic name; and so it is that this one comes again and will use that which is the symbolic name of MICHAEL THE ARCHANGEL. It is known that we who are in the Spirit Realm do have a responsibility to you who are allowing us to come to your presence to let you know that it is the will of the CREATOR that we be here. And so you are much blessed at this time that you are in the will of the CREATOR as well.

And so at this time allow this one to say this to you. You have been preparing for a long time upon the Earth Plane for that which is to come in the future. As we who are in the Spirit Realm can see, day after day after day upon the Earth there is more and more occurring that will lead to a major disruption upon the Earth. Each day in the life of mankind upon the Earth you see

those tragedies occurring, whether through that which would be storms or those things that you refer to as disruptions on the Earth otherwise. Know that all are taking a toll upon the Earth Plane.

That which is mankind is often being taken. The bodies are no longer being able to function. But among other things, more and more of the animal life and that which is the plant life is being displaced and being taken from a time of living upon the Earth by those things that are occurring. This one who comes as MICHAEL does indeed have this to offer you. **You are living in that which is an area of much beauty, as those of us who are in the Spirit Realm can see.**

We would urge you to take an active part in that which is the prevention of the destruction of plant life and animal life within your own region. If each one within a certain region upon the Earth Plane will take the responsibility of starting that which is an avenue of protection for all that exists within their area, then it is known that throughout the Earth there can be many changes made that will be productive to the continuance of life upon the Earth.

And so this one who comes to you as MICHAEL would at this time ask you to be at peace with what you have learned during this time of meeting, and know that you will in time to come be able to allow the one who came to you as SECHA to once again come to be in your midst. At this time now this one who has come to you in the will of the CREATOR would again ask you simply to be alert to what you can do in the very area in which you live. There is much that you can do to protect that which is vital to the survival of life in this area.

And so at this time now, this one will simply say to you that we who are in the Spirit Realm will send out that energy that is necessary for all who are OMEGA to do that which is of vital importance for them in their lifetime upon the Earth. We ask you to be receptive of this energy when it is being sent to you. And we ask you to attempt to receive this energy in a time of meditation, because it is then that you are more open to allowing that which is the spiritual energy to enter. And so at this time this one would come to advise you that this one has come in Love and does come with the understanding that there is much that can be done that will help each of you in this lifetime upon the Earth to prolong that which is the habitation of the Earth. It can be done. And so this one would ask you to go in Peace and know that we have come in Love.

JEY returns and would ask you simply to be at Peace with what that one has brought to you at this time. You have been blessed in many ways in this which is the OMEGA group, and you will continue to be blessed. But do not think that we have come to you simply for the joy of talking with you. We have come to you for a purpose, and we will continue to come to you to fulfill our responsibility and our purpose as you are residing upon the Earth Plane.

We Love you, we come to give you a blessing, and we would ask that you be at Peace, for indeed Peace will be that which is necessary for each of you as you continue to take the time you need each day to give thought to that which is your own Spirit Within you. **Allow it to be the guiding force that moves you through these times ahead. Indeed, your Spirit Within is one of great strength and is of the CREATOR and will communicate to you that which is necessary at any one time upon the Earth Plane when you seek for the Truth that can be given you. Be now at Peace with what you have heard, and know that we who are in Spirit have come to you with much Love. Go now in Peace. AMEN.**
