

MESSAGE FROM JEY 10-28-01

JEY is here and comes now with much Love for those of you who have gathered here at this time of meeting. It is now an opportunity that JEY has been happy to participate in, for it is now that JEY can come to communicate with you with much joy and in the Will of the Creator.

You have been in a time of discussing much of great worth during this time of meeting; and know that as JEY has been here in your midst, JEY has indeed given thanks and praise to our Creator that you have come so far in your understanding of Truth that has been given to you down through the many years. JEY comes now simply to affirm to you that what you have been discussing is of great value to each of you, and what you have learned from those who have come to you in Spirit has indeed been Truth and does come to you as Truth.

JEY would come to say this to you at this time. As those of us who are in the Spirit Realm can see at this time, you have an opportunity upon the Earth now that you little had before for there has been an awakening within this country in which you live. There are those who are ready to receive Truth and to discuss Truth. There are those who have not had the opportunity in the past to really give great thought to what can occur upon the Earth Plane in the way of chaos. But you who have the understanding, you who have been told Truth, now have the ability and the opportunity to share that which you know to be Truth with others. Those who surround you now come to you with their hearts and their minds open, and they are ready to listen. You will know when it is time for you to communicate that which you know to be Truth with them. JEY would advise you simply to be in prayer and meditation, and ask that you be guided in your attempts to help others to understand Truth.

It is known that as YOU have been able to see Truth and to hear Truth in those things that have occurred upon the Earth, you are well aware that you are now able to deal with all that can occur upon the Earth. You have not shown fear; you do not show an avoidance of discussing those things that have occurred. But know that there are many upon the Earth Plane who are living in great fear, for they do not have that which is the promise of the Creator to live with them, to be with them, to guide them each day of their life. And when those who are Spirit-in-Body have the opportunity to hear Truth that will bring them comfort, their life upon the Earth does indeed change.

Those Spirits that inhabit the human bodies upon the Earth are indeed hungry for an opportunity to lead those lives, even as your Spirit now has an opportunity to lead you in your footsteps upon the Earth. There are many Spirits-in-Body who have not been given that opportunity, and so it should be the prayer of each of you that mankind would open his heart and mind and allow the Spirit Within to guide and strengthen that life in these days to come. Indeed, you are aware of the great conflicts upon the Earth at this time. There will indeed be a time of much tribulation upon the Earth; but know that you are seeing only the beginning.

There are so many upon the Earth Plane now who have not had an opportunity to know Peace for many lifetimes. They know only that which is war. They know only that which is conflict within their own lives. And you will see those who do not understand the Creator and do not know the Peace that is brought by an understanding of their relationship to the Creator. They do not understand those things. And so you will find that within the hearts of many there can be no Peace because there is no joy in living in the situation in which they live. Keep that in your thoughts each day, and allow your thoughts and your energy to be sent out to each one upon the Earth that they may be able to hold open that which is their heart and their mind to understand Truth. And once one has opened their heart and their mind and asked to be able to understand Truth, it will be given to them by the Spirit that resides within them.

You have discussed that which is the Spirit Within you at this time of meeting, with the knowledge that it is OF the Creator. Know that even as the Spirit Within you is OF the Creator,

ALL mankind upon the Earth has that bit of the Creator within the body which they know as themselves. And as that Spirit is allowed the opportunity to help the mental self of each body upon the Earth, there will come a time when all mankind will be able to live in Peace. It may not be in the near future; but know that your prayers will bear fruit. They in turn do affect another life upon the Earth, and that life in turn will affect another; and so as this continues in a multiplying effect, you will find that your single prayer will bear much fruit upon the Earth.

This gives you an opportunity, then, to start within your own self to look for the ability simply to pray that others may know the Love and the Joy and the Truth as you know it. Be not fearful in sending forth these prayers, for indeed as those of you who are upon the Earth Plane pray, those of us in the Spirit Realm do hear, and we join with you in your prayer; and that indeed does affect many who are upon the Earth Plane.

It is known to the one who is JEY that there is now an opportunity for those of us who are in Spirit to become increasingly aware of ALL of mankind upon the Earth; and JEY will say to you that even as you attempt with your prayers to help others, those of us who are in Spirit will attempt as Guardians of Spirit to help each one who is upon the Earth Plane at this time to become aware of our presence in their lives. You who have learned of your own Guardian of Spirit now have the opportunity to say to that one, "Peace be with you; and know that as I, who am one upon the Earth who has gained the knowledge that I have of my Guardian of Spirit, do release you from full time guidance in my life and would ask that you go to another who is in need at this time."

JEY will tell you that JEY will continue as Gatekeeper for OMEGA as there is a need, but JEY can also tell you that each of you have arrived at a time in your life where you will no longer need the lessons that JEY can bring. JEY can tell you that you will have the opportunity to call for help if there is a need; but there is no longer a need for JEY to continue to communicate with you. You are aware of all things that have taken place. You are aware that your Spirit Within you is that which is the greatness of you. It is not a physical aspect, but rather a Spirit. Rely upon your Spirit Within you now to guide you.

JEY is not saying farewell to you, but JEY will say to you that you will be strengthened by the Spirit Within you to do all that is necessary for you to perform upon this Earth. JEY will continue, as was said, as the Gatekeeper for OMEGA. You may continue to call upon JEY when there is a need. But let the Spirit Within you be the power that it can be. You have arrived at the stage where you fully understand the power of that Spirit. ALLOW IT TO WORK WITHIN YOU AND FOR YOU as you attempt now to fulfill, completely, your purpose upon the Earth.

JEY will say to you at this time that JEY will not be back to communicate with you in the days to come; but if there is that which you feel to be a necessity to require the presence and the help of JEY to be here to communicate with you, you simply need to call upon this one. IT IS NOW TIME FOR YOU TO TAKE CONTROL OF THAT WHICH YOU MUST BE ABOUT UPON THE EARTH. LET THE SPIRIT WITHIN YOU BE THE CONTROLLING FACTOR IN YOUR LIFE FROM THIS DAY FORWARD. IT WILL BE SO. JEY DOES NOT AT THIS TIME TAKE LEAVE WITHOUT REMINDING YOU THAT YOU ARE OF THE CREATOR, THAT YOUR PRAYERS ARE ALWAYS HEARD, AND IF THERE IS AN EMERGENCY WHERE JEY IS NEEDED JEY WILL RETURN TO COMMUNICATE. BUT JEY MUST NOW BE ABOUT OUR CREATOR'S BUSINESS. IT IS SO IMPORTANT. AND OTHERS WHO HAVE COME TO YOU AS GUARDIANS OF SPIRIT, AS OTHERS WHO ARE SPECIAL SPIRITS WITHIN THE SPIRIT REALM, WILL TELL YOU AS WELL THAT IT IS NOW TIME, AND AN URGENT TIME, FOR US TO BE ABOUT THE BUSINESS OF THIS WHICH IS THE SPIRIT REALM. WE WILL BE BEYOND THAT WHICH IS COMMUNICATING WITH YOU AT THIS PRESENT TIME. BUT AS IT HAS BEEN SAID, JEY WILL RETURN IF THERE IS A NEED.

JEY gives thanks and praise to our Creator that there has been this opportunity for JEY to work with you who are known as OMEGA. You are not alone! You will never be alone! There is always going to be an opportunity for those who are in Spirit to come and communicate with you again. You have within the many files that you have kept upon the Earth those messages that have come down through the many years. If you have a need to refer to those, simply ask your Spirit Within to help you fully understand all that has been said. It will be done. And JEY comes now simply to assure you that you have now graduated from that which is the time that JEY was to spend with you upon the Earth Plane.

Be at Peace. Know that you are in the Love of the Creator....as you have always been; that you are in the Love of those of us who have come to work and communicate with you as Spirit. We will not desert you. We are here in Spirit, and we will return when there is a need. Go now in Love and in Peace, and know that JEY does indeed feel a great desire to always remain with you and communicate each time that you are together. But it is now time for JEY to be about other business. Go now in Peace and remember that which is the UNCONDITIONAL LOVE OF THE CREATOR OF ALL THINGS. AMEN.
