THE ONE KNOWN TO YOU AS JEY IS HERE and does come in the will of the Creator. Be at Peace with where you are and who you are at this time, and allow JEY to use this voice for the glory of the Creator.

It is now that time upon the Earth where those of you are known upon the Earth Plane as OMEGA are seeing those things come about that have been foretold to you. You are aware that there is indeed much occurring upon the Earth that does require your being alert to what is taking place; but also it does require that you be in prayer for all the leaders upon the Earth. Do allow your Spirit Within you to go to nourish those who are in need of nourishment **as far as that which is thinking is concerned.**

Thinking must be nourished, even as your physical body is nourished. There are many upon the Earth who have not allowed their Spirit Within them to guide their thinking; and so as your Spirit goes forth, may it be for the expressed purpose of aiding those who are holding positions of power upon the Earth Plane. You have the opportunity to allow this to occur. Be one who does indeed **listen to the calling of your Spirit.** Allow it to go forth to help those who are in leadership position to make those decisions that will enable mankind to live in Peace upon the Earth and to know that which is the joy of knowing that they may live with the assistance of Spirit as well.

You now are in a time of fully understanding all the Truths that have been given to you. You have the knowledge that you need. You have been given the information that you need. But what other information is more important to you than to know that within you, your physical body, is that aspect which is Spirit and which is of the Creator of All That Is? You have come to know **that Spirit is indeed powerful beyond your thoughts. It is wise beyond all your thoughts. It has the opportunity now to help many who are upon the Earth Plane.**

JEY is aware at this time, too, that there are **opportunities** that you have during this lifetime. During the days to come you have the opportunity to show your Love and let the Spirit Within you show forth through your countenance and show that Love that can be from your Spirit. As you are aware of the Unconditional Love of our Creator, the Creator of All That Is, you can now allow that Unconditional Love to be a part of your being, to shine from your being. All who live as Spirit-in-Body upon the Earth will indeed recognize that Love, even though they do not know their relationship to the Creator.

Love is not to be hidden. It can indeed shine forth from those who allow it to do so. **Love is indeed the fuel for all the changes that must be made upon the Earth. Love does indeed control mankind; and as the Unconditional Love of the Creator can be given to all who have access to the Spirit Within you, that Love can indeed make the difference among mankind upon the Earth.** And so as JEY encourages you to allow your Spirit to go forth during your time of sleep, be aware now that the message that it will carry will be a message of Unconditional Love. You now can see how that can change the behavior of leaders all over the world. There are leaders upon the Earth at this time who cannot feel Love for those who are somewhat different from who they are. In other words, they believe differently, or they dress differently, or they act differently. So it is that hatred is then becoming an inbred thing for many people upon the Earth. This must cease. It cannot continue, **for where hatred dwells there cannot be Love.** And so as your Spirit then can take forth the message of Love to those who are leaders upon the Earth, they in turn can change the actions of those who live under their rule. And so it will have to be.

Look around you. Even in your own community you will find those who do not find it within their hearts to love their neighbors. It is necessary that, if you allow your Spirit to go forth to leaders upon the Earth, it must begin within your own community. And as a community changes, the Earth can change as well.

JEY has an opportunity now to give information that will bring about a greater understanding of your own life upon the Earth. You have been in discussion at this time, not only about this life time but about other lifetimes. JEY can tell you that yes, your Spirit did indeed make a pact within the Spirit Realm to be here upon the Earth at this time. All those who have come to you, and who have come to be known as OMEGA, have known this since times past as Spirit. You have the opportunity to draw to self more who are known upon the Earth as OMEGA as you simply allow your light to shine and to go forth to them. Many are hungry for Truth. And so as JEY comes and tells you that JEY comes in the will of the Creator, accept that! Indeed JEY cannot do otherwise. JEY is Spirit. There is indeed the Creator of All That Is. We who are in the Spirit Realm as Spirit have no right to do other than what is the will of the Creator that we do. And so you at this time are simply taking to self that Spirit that is within your body and claiming it to be the Reality of You, and allowing that Spirit to go forth to those in need of a deeper understanding of the Creator. **Love can do that! Your Spirit can be the vehicle which carries an understanding of Love with it to all who are now living upon the Earth as Spirit-in-Body, particularly those who are known as leaders upon Earth.**

JEY can tell you that in past lives indeed you have sought for but have not been able to find that which is the key to your understanding of things of a Spiritual nature. In other words, those of us who have been Guardians of Spirit were not able to allow you to communicate even as we communicate now. And so it is that we rejoice in the Spirit Realm when those of you gather at this time upon the Earth. You have found your way, found the key to Joy, the key to Love. And so we urge you to hold fast to this gift that you have now and to share that Love and that Joy and that Light that can come forth from your Spirit. Share it with others. It is important that you do so.

You do not have to say words! You can simply share it with others through the Light that emanates from the body that you call Self. It is through that body, through the Love that can be exuded from the body, through the Light that shows from you, that you will be able to touch others. They will know when Love is present in their lives, and they will allow you to know that they feel that Love and that Joy as well.

Be at Peace with what JEY has been able to come and share with you, for it is the will of our Creator that this be so. Be at Peace with who you are, as JEY has said, and where you are at this time. And do not doubt that indeed JEY comes with Truth, for it cannot be otherwise when JEY comes in the will of our Creator. **We must answer to our Creator, even as you do, as your Spirit Within you answers to the Creator.** And we rejoice in the fact that you are now aware that your Spirit Within you can indeed go forth and help others who are in need of Love, of Truth, and that information that will help them to be leaders among mankind upon the Earth. Not only can you allow that to be so, but your prayers for them will indeed be heard by others in the Spirit Realm and they can indeed pick up this responsibility that you have and can go forth to all of mankind as well.

We who are in Spirit do not force ourselves upon those of you who are Spirit-in-Body. We cannot do that because you came to Earth as a free Spirit. But we can help you when you ask for the help that is needed. And so even as you allow your Spirit to go forth, allow your prayers to go forth indicating that you are so allowing your Spirit to go free and to go forth; and ask those who are in Spirit to join with you in going to those who are leaders upon the Earth and changing that which is the entire history of your world as you have expressed it during this time. It must be that the thinking of ALL mankind must change if you are to find Peace upon the Earth during your time of Spirit being within your body. **There must be a change in everyone who lives upon the Earth Plane. In order to do this, we who are in Spirit are ready to join your journey now in this responsibility, to go with you as your Spirit goes forth. We are ready to join you in this responsibility. Even as we who are in Spirit have responsibilities, the Spirit Within YOU has responsibilities as well.**

And so with this said, JEY will simply tell you that you will be given the strength that you need, the time that you need in order for you to march forth, as an army upon the Earth

marches forth, to fulfill a desire that you have and a need that you have at this time. Allow this to be known to others who are OMEGA upon the Earth. As you send forth the message in a written form, it will be shared by others who receive that message. And so it is that the results will be made known to you in the actions of the leaders upon the Earth in the many months that come. They will feel the impact of this which has been the responsibility that you and those of us who are in the Spirit Realm carry out.

May the Peace that can be provided by the Creator of All That Is become a part of you. May the Desire that you have become so overflowing that you can have no trouble in allowing your Spirit daily, as you sleep, to go forth to help mankind upon the Earth. You are special upon this Earth at this time in the history of the Earth. You have an opportunity to change those things that are taking place which are causing such misery, so many unnecessary deaths that are occurring upon the Earth. You have the opportunity and ability. May it be so. And JEY would ask that you be blessed with an overflowing of Love and an overflowing of Peace at this time upon the Earth. May you go now in Peace and know that you are much loved by those of us who are in the Spirit Realm. Be at Peace. AMEN
