

MESSAGE FROM JEY, 2-01-04

JEY is here and is well aware of your presence at this time, for indeed JEY has been here and is in your midst. JEY would come to communicate with you at this time, because it is the will of the Creator that JEY would be in your presence and does communicate with you.

There is at this time that which is a necessity for those of us who are in Spirit to be very much in your thoughts, for we who are in Spirit are much aware of that which is occurring upon the Earth at this time and would ask that you be in a time of prayer for all the peoples of the Earth. Indeed many are undergoing many hardships at this time upon the Earth, and there are many upon the Earth who are here at this time simply planning for that which will be difficulties for others who will be living upon the Earth. You have an opportunity once again to allow the Spirit Within you to go forth to work with the spirits of those who are indeed planning for completing the opportunity for hardships to be forced upon others upon the Earth. We are aware that there are many who are not in the will of the Creator with regard to their actions, and JEY is well aware that those of you who know of your relationship to the Creator and who know that the Spirit Within you can go forth and work with others know the opportunity is here once again for you to allow your Spirit to go forth.

There is a knowledge among those of us in the Spirit Realm that as you who are OMEGA upon the Earth have been able to form into groups and therefore to support each other in your search for knowledge with regard to your relationship to the Creator of All That Is...we are aware that you have indeed been able to fulfill that which is the function and purpose of your very being upon the Earth. Your Spirit came to live in body upon the Earth at this time in the history of the Earth for that which is a purpose; and you are attempting to fulfill that purpose. We have not forced you to do so; but the Spirit Within you has been very strong and has indeed led you to be associated with the group which has been called OMEGA upon the Earth. You have spread throughout the country in which you live. There are many who are now in a time of communicating with the Spirit Within them, and that Spirit in turn is communicating with the Guardian of Spirit for each one.

We would ask you to continue to be in thought and in prayer for all who are OMEGA upon the Earth, and for you to allow your Spirit to go forth each day of your life to work with others, for indeed that is much needed at this time. JEY would ask you particularly to be aware of those who are the government leaders upon the Earth for each country and those who are attempting to be leaders, for there are many who are not aware of the great need for spiritual guidance with regard to that which is government upon the Earth. There are many who are seeking after power, but there is a necessity for those many to be seeking after the will of the Creator in their lives rather than after the power which they are seeking at this time. And so JEY would simply ask you to be aware of that and to keep each one who is seeking to be in power in your prayers, that they may be enlightened with regard to the needs of this country in which they live. Keep those who are the elected leaders in your prayers, for they indeed do need the guidance which can be given to them through the prayers that you can send forth. Allow your Spirit to go to them as you sleep, in this time of rest to come, for indeed it can be helpful to each one who is making decisions at this time.

JEY now comes, after having said that, to say this to each of you. You are indeed special upon the Earth at this time...not for the body which you inhabit, but for that which is the Spirit Within you. The Spirit within each of you has chosen to be here at this time in the history of the Earth to provide that which is a catalyst for all who seek after knowledge with regard to the Spiritual aspect. And so you are now able to allow that catalyst to be used throughout the Earth on which you live. You have found that the Spirit Within you has great power, has great ability. Allow it to move around and take its place upon the Earth as a special Spirit indeed, for that Spirit is able to work, as you might say, miracles upon the Earth at this time. We do not ask you to be magicians! We ask you to be that which is a creation of the Eternal Spirit that does indeed rule throughout the Universes! We ask you to allow yourself to be committed to the fulfillment of your purpose upon the Earth at this time. JEY is well aware that each of you have purposes as well to simply maintain life for this body in which your Spirit lives; but that can be done, that will be done, in order for your Spirit to be able to fulfill its purpose upon the Earth. Be not fearful about what your body will need for each day to survive; rather be committed to what your Spirit needs each day in order for it to fulfill its purpose. Your body will survive; your Spirit will fulfill its purpose. But you need to be aware of the commitment that you made, as Spirit, before you came to inhabit this body upon the Earth.

We who are in Spirit understand the reality of life as Spirit-in-Body, for indeed those of us who are now here as Guardians of Spirit have indeed lived as Spirit-in-Body. We were not committed, as you

are, for a special purpose upon the Earth; but we did choose to be your Guardians of Spirit, knowing full well that we would have to be what you would call 'cheerleaders' for this mental and physical self upon the Earth. Allow your Spirit to be guided by your Guardians of Spirit because that is our relationship to you! We DO guard your Spirit. We DO help your Spirit in its journey upon the Earth within your body. And so we ask you to allow us to come to simply assist where there is a need in decision making. Allow your Spirit to be free to work with those of us who are your Guardians of that Spirit!

And so JEY has come now in the aspect of one who is simply a promoter of Spiritual Growth at this time. You are indeed well aware that you have grown in Spiritual understanding, in Spiritual strength, in knowledge in those things of Spirit. You are well aware of your relationship to the Creator of All That Is at this time. And JEY does indeed come now to simply say "May that which is the Creator of All That Is bless you in your efforts upon the Earth at this time," and it will be so. JEY is indeed one who looks upon each of you as that which is OF the Creator! You need have no fears. You need simply to trust in the fact that you are being guided in your efforts upon the Earth. You have been one who is chosen to be here! You are receiving the help that you need. You are being strengthened daily in your own Spiritual aspect. And so JEY simply asks you to accept that.

There is at this time a necessity for another to come and communicate with you. JEY asks only that you be prayerful as that one does come to communicate with you. There is a necessity for that one to be here, and so it will be in the will of the Creator that that one will come and address you, although briefly. Still it is important that you now hear, and welcome that Spirit to your midst. Be at Peace with that.

AMEN. THIS ONE COMES NOW AND DOES COME IN THE WILL OF THE CREATOR, AND DOES COME ASKING THAT YOU WOULD OPEN YOUR HEART AND YOUR MINDS AND ALLOW YOUR SPIRIT TO RECEIVE THE PRESENCE OF THIS ONE.

Know that this one does come now simply because there is a need and will identify to you in this way. There is in this which is the Spirit Realm that which is a division of Spirits only because there is a necessity with regard to their attendant, what you might call, positions with regard to what they must accomplish in the Spirit Realm. In other words, even as your Guardian of Spirit has a 'job' that must be done as your Guardian of Spirit, this Spirit comes to accomplish a certain thing as well. And so this one comes and will provide that which is simply a symbolic name for you....and that will be one that you can understand. And this one will simply use the symbolic name of INITIATOR. That does have a meaning to you....the word initiator in your language does have a meaning to you. And so as you visualize that meaning, allow this one to come, in the will of the Creator, and identify as INITIATOR.

What this one wishes to begin in your Spiritual life at this time is simply this. As you now have information with regard to your own relationship to that which is the Eternal Spirit, that which is the Ruler of the Universes, that which is the Creator of All That Is, you now have some understanding of your relationship. What this one wants to do at this time is to initiate a greater opening between YOU as a body, a mental self, and a Spirit Within that body....a greater opening between YOU, as you understand YOU to be and that which is our Creator! We would ask you simply to be willing to be able to so open your own thinking, your own mental self, and allow your Spirit then to guide that thinking every day in order that you can seek a greater opening, a greater understanding, a greater relationship to that which is the Eternal Spirit, the Creator of All Things. This is indeed feasible. It can be done in your lives; but you have to be willing to allow that to happen. Do you want to be a wiser individual as a body, as a mental self? Do you want that wisdom to be opened, to be enlarged, so that you have the ability to see deeper into that which is the Eternal Spirit's realm upon the Earth? You have that which is limited knowledge at this point. We who are in Spirit, and this one who comes as INITIATOR, simply comes now to help you initiate that opening, that creation of a source of inspiration....if you would like to call it that....that will inspire you to reach out to greater understand that which is the Creator of All Things, the Eternal Spirit.

And so as you now open a wider channel, one which will help you to fully understand the Creator of All That Is, you will be enlightened with regard to that which is your own Spiritual Growth. You have a Spirit Within you that chose long ago to be here in body at this time upon the Earth; but you were not left with simply a minimal understanding of All That Is! You were going to be given that which was necessary for you to have a greater depth of understanding with regard to this which is the Universe or the Universes. Know that as this one has come to you as the INITIATOR and has explained to you what can happen if you allow it to be so, you SIMPLY VISUALIZE THAT WHICH IS A BEAM OF LIGHT THAT GOES FORTH TO THAT WHICH IS OF THE UNIVERSE, THAT GOES FORTH TO THE CREATOR OF ALL THAT IS, THAT GOES FORTH TO THE ETERNAL SPIRIT; AND LET YOUR SPIRIT ONCE AGAIN TRAVEL THROUGH THAT BEAM OF LIGHT THAT YOU CAN CREATE IN THOUGHT,

TO THAT ONE. YOU WILL KNOW THAT YOUR SPIRIT WILL REJOICE, FOR INDEED IT IS BECOMING ONE AGAIN WITH THE CREATOR AS THAT OCCURS. Your Spirit is being blessed at this time with the strength and ability to follow after that which is simply a light that you have created in your own Spiritual self, in your own mental self, to allow your Spirit to travel to that which is the Creator of All That Is! Rejoice in this! You are once again connected to that which is the Light of Creation. You will be able to understand more fully now to that which is your own source of strength as you are fulfilling your own journey upon the Earth.

Those who are OMEGA throughout the Earth Plane will be able to create this same ability, the same source that will help them once again reach into that which is the creation as it is now known to the Creator of All That Is.

We who come to you in Spirit are not saying that you are to be a supreme being upon the Earth! That is not what we are saying. We are saying we are trying to open a path that will allow you to have access to the Creator of All That Is which is known to you as that which is the Eternal Spirit. This will simply give your Spirit what it needs then to fully go forth to all who are the leaders upon the Earth and impact their thinking to the extent that it will make a change upon the Earth. Let it begin with YOU. Let it begin NOW that you can indeed have this source of strength for your Spirit, that it will have the desired impact for all who are leaders upon the Earth. IT MUST BE DONE IN ORDER TO SAVE THIS EARTH UPON WHICH YOU LIVE. THERE ARE THOSE WHO ARE SEEKING TO DESTROY PEOPLE AND NATIONS UPON THE EARTH. DO NOT ALLOW THIS TO OCCUR. On the other hand there are those who are seeking to help nations upon the Earth, to help those who live within nations. May they be strengthened through your actions at this time upon the Earth.

And so this one comes now thanking the Creator of All That Is for this opportunity to come to you, and will again say to you that this one has come as INITIATOR, has come in the will of the Creator, and has come for a purpose as you well know at this time. And so this one asks the blessing of the Creator upon each of you who are OMEGA upon the Earth, and that your influence may go forth and help to create that which is the will of the Creator upon the Earth at this time. Be at Peace. Know that this one has come in Love and in the will of the Creator! You have been blessed. Go now in Love.

JEY returns and does give thanks, for indeed even as you have been blessed JEY has been blessed as well. JEY now is aware to of more with regard to that which is the Creator of All That Is. You have been greatly blessed. JEY will rejoice in this, and as time goes forward know that JEY, too, will be able to help more fully with regard to initiating action in the thoughts of those who are the leaders of the Earth. Be at Peace. Know that JEY comes giving great thanks to our Creator and to the one who came as INITIATOR. Be at peace. Know that JEY is in your care and will continue as Gatekeeper for OMEGA. Go now in Love. AMEN.
