

MESSAGE FROM JEY, 11-06-04

JEY is here. JEY does now come in the will of the Creator. Know that those you who are here are indeed here for a purpose this day, and JEY is here to be in your midst to explain to you what is meant by that.

There is an opportunity for this one who comes as JEY to discuss with you the importance of your activities upon the Earth; in other words, the importance of this the OMEGA group. As you are aware, you have been meeting many times throughout this Earth time in order to receive the messages that have been given to you. It is the knowledge of JEY that with those messages has come an understanding of utmost importance for you, and that is that you who are on Earth in body are here for a purpose, and that you are indeed fulfilling that purpose. Know that there is an understanding in the Spirit Realm that many of you are doing that which you should do at this time, and that is proclaiming the Light and the Love of the one who is our Creator throughout the Earth.

Many of you who will receive this message are at far-flung places. You have received the opportunity to be more Spiritual because of these messages which you have received. So JEY would ask each of you to simply be alert to the opportunities that you see in your life to fulfill the will of the Creator. There are those of us in the Spirit Realm who have rejoiced at the beginning of this group and will continue to rejoice as you go along the Earth Plane. We do not expect of you the unattainable things upon the Earth; but we do ask simply that you be alert to the help that you can give to mankind with regard to understanding those things of a Spiritual nature. We ask you, when there is an opportunity for you to do so, that you simply offer your service to be a healer to those who might come to you with such a need. We ask you to know that you are a Light unto the world, and that people do find themselves drawn to you for many reasons, so therefore you have the opportunity to be a Light to many who come to you.

JEY would not ask you to do the impossible. JEY only asks that you continue to be a Light in those instances where there is the need for such Light. You have the opportunity. You have the need. And you will have where-with-all to simply be that a Light to all of mankind with whom you come in contact.

JEY will tell you at this time that there is that which is a great need throughout the Earth for the attainment of a peace that one can find now after those things that bore hatred and violence that did encompass your country. There are many upon Earth who will find it very hard to accept that which is the current condition upon the Earth; but you must know that there will come a time of peace where you each will find that peace that is upon the Earth. Many who are on the Earth Plane at this time are indeed suffering because of the action of their leaders upon the Earth. You would know that within your own country you have seen much unrest and much of the actions of leaders upon the Earth that have brought about distaste and hatred upon the Earth. Know that this is to cease. Our Creator does not expect those who are Spirit-in-Body to live in a time of hatred and violence; and so this must cease upon the Earth.

We must ask that those who are involved in violence would indeed take time away from violent acts to realize that what they are doing is simply causing more violence and more unrest upon the Earth. There are many parts of this Earth which are seeing violent acts take place. Know that these must not continue. And so if you may inject a bit of your own peaceful attitudes to those avenues upon the Earth that would allow others to know indeed they must turn their actions to love and peace, then this must be known.

JEY, at this time, must come to tell you this as well. There is within your reach an opportunity that you have to bring peace and love to all of mankind. There is an opportunity that you have to bring healing to all of mankind. JEY is aware of a physical healing that must take place. JEY would ask that those who are in need of a physical healing to seek after healing of your bodies in order that you may be healed of those things that will attack. You are aware of many opportunities to be a witness for the Creator and know indeed that there are hearts that are open to receive such. You do not have to fear the criticism that you may receive. Know that you will be given the opportunity and that you will be led to those that would receive such as you may give. JEY is aware that there is much in the way of honor that is due to mankind upon this Earth, and this will be received.

JEY wishes at this time to simply speak with the one who is here as Bill. It is known that you have been suffering from a disease that has been caused in your body. Will you simply accept the healing that the Creator can send to you. You will be aware that this can take place now and be within your body in order that you can receive the healing that will take place. You must be willing to accept. You must be willing to allow that which is self will to be overcome by that which is the Creator. You have no need to

suffer the disease. Allow your body to be aware of the healing that can take place. Be at peace with this. Know that we will spend some time in quiet in order for this to take place. (A period of quiet time followed.)

JEY returns at this time and would ask that you accept this healing which has been offered to you.

JEY returns again to simply bring you a message of peace, a message of hope, a message of faith, a message of love in order that each of you may leave this place knowing that each of you is protected and that you will indeed know the love of us in the Spirit Realm. We would not ask you to accept the impossible; we are only asking you to accept that which we can give. You are to know peace, and love, and hope in the days to come, for you will indeed find that for which your souls have been seeking. Be at peace. Go now in love and continue to keep the one who is Bill in your thoughts and in your prayers. We ask in the name of Christ. AMEN.
